

A composite image of a forest scene. The background is a close-up of a tree trunk with rough, brown bark. In the upper center, a black and white butterfly with yellow spots is perched. In the lower right, a small hedgehog is visible, partially obscured by green ferns and autumn leaves. The bottom of the image is decorated with a variety of autumn leaves in shades of yellow, orange, and red, along with green ferns and a small cluster of blue flowers on the left.
