News release

Invitation to Alfa Laval's Capital Markets Day 18 November 2026

The Alfa Laval Group will host a Capital Markets Day on 18 November 2026. The virtual event will take place between 1.00-4.00 PM CET.

The 2026 CMD will focus on three strategically important business areas for Alfa Laval. The Division Presidents and industry experts will provide an in-depth look at data centers, pumping systems, and hygienic fluid handling. In addition, President and CEO Tom Erixon, and EVP CFO Fredrik Ekström, will outline the company's direction for the coming years and the road towards reaching a turnover of SEK 100 billion by 2030.

The event will be recorded and published on Alfa Laval's webpage for replay after the live event.

All information about how to follow the digital event and ask questions can be found here from 9 November 2026: Alfa Laval Capital Markets Day.

This is Alfa Laval

The ability to make the most of what we have is more important than ever. Together with our customers, we're innovating the industries that society depends on and creating lasting positive impact. Alfa Laval is a leading global provider of first-rate products in the areas of heat transfer, separation and fluid handling. We're set on helping billions of people to get the energy, food, and clean water they need. And, at the same time, we're decarbonizing the marine fleet that is the backbone of global trade.

We pioneer technologies and solutions that enable our customers to unlock the true potential of resources. As our customers' businesses grow stronger, the goal of a truly sustainable world edges closer. The company is committed to optimizing processes, creating responsible growth, and driving progress to support customers in achieving their business goals and sustainability targets. Together, we're pioneering positive impact.

Alfa Laval was founded more than 140 years ago, has customers in 100 countries, employs more than 23,670 people, and annual sales were SEK 69.6 billion (6.6 BEUR) in 2025. The company is listed on Nasdaq Stockholm. www.alfalaval.com
