ISBN 978-962-85637-9-1. Published by Visionary World.

August 2011. Available through all usual outlets.

Represented by Kodansha Europe Ltd.

**Just released, this remarkable book illustrates and describes the esoteric world of Thailand's magical *Sak Yant* tattoos in detail for the first time, using contrast-adjusted photographs to bring out the detail in each tattoo.**

**As the first book to systematically examine an art that is being increasingly popularised by celebrities such as Angelina Jolie, *Sacred Skin* is already attracting much attention.**

**Further information and images can be found in the attached pdf file 'Sacred Skin Detail'.**

**For cover or other images, or to request a review copy of the book, please contact Kodansha Europe at [info@kodansha.eu](mailto:info@kodansha.eu).**
