Concentrated Formula Use Sparingly. .

equal to 10 Oz. Water Based Sunscreen Containing 70% Water

Sunology[™] Natural Sunscreen Lotion is the world's first and only sun care product that contains VitaOléfera[™], a Natural Moringa Oil Complex in combination a Ferulic Acid/Soy Glyceride which is naturally derived from Ferulic Acid, a known antioxidant and Sov Bean Oil. Both ingredients are used in this product to condition the skin. Clinical research studies have shown them to significantly reduce wrinkles and dried skin; the skin appears healthier and younger looking. FSG is patent protected.

- Dermatologist Recommended
 - Oxybenzone Free
- Broad Spectrum UVA/UVB Protection
 - Helps Prevent Free Radicals
 - Contains Over 75% Moisturizers
 - Water Free Preservative Free
 - Water Resistant

Active Ingredients Zinc Oxide 10.0%, Titanium Dioxide 7.5%

Uses: Screens the sun's burning rays to help prevent sunburn • provides protection from UVA rays that may contribute to skin damage and premature aging of the skin · higher SPF gives more sunburn protection.

EBG65463

Warnings: For external use only. When using this product keep out of eyes. Rinse with water to remove. Stop use and ask a dermatologist if rash or irritation develops and lasts. Use on children under 6 months of age with the advice of a Physician. Keep this and all drugs out of the reach of children. If swallowed, get medical help or contact a Poison Control Center immediately.

Directions: Apply liberally and evenly to all exposed skin daily 15 minutes before sun exposure. Reply as needed or after swimming, excessive perspiration, towel drying, or prolonged sun exposure. Store at 25°C (77°F); on excursions 10-30°C (50-86°F).
