### About Tuff-Luv Cases

From a humble beginning in a small Surrey warehouse in 2005 the company has become a fully-fledged designer and manufacturer of the latest cases and accessories for cutting-edge electronics. Our product range focuses on cases and accessories for everything from iPad to Blackberry, Sony to Kindle and everything in between.

We're proud of our products and the quick service we provide to our customers, and our lifetime guarantee is a testament to that. Our team take the time to include the best features into our ingenious designs. We all love using our tech gear and don't like to be parted from it, so we know how important it is to keep it well protected.
